Here's what I'll get as soon as I join:

- **Monthly Online Newsletter** explaining the big picture, with "how" and "why" details about new buy/sell recommendations and updates of current holdings.
- **Weekly Profit Bulletins** to inform me of changing market conditions with up-to-date analysis and any changes to Bryan's strategy or Buy List.
- **Flash Alerts** to let me know about breaking opportunities and urgent market updates
- **24/7 Access to the Cash Machine Website**, where I can access all of Bryan's current recommendations; read past newsletter issues and updates; check out the calendar of upcoming cash payments by Bryan's recommended companies; and much more.

As a bonus, I'll also receive three special reports when I join:

- **What to Buy Now: My 5 Top Cash Machine Picks:** 5 little known, heavily discounted and SAFE high-yield securities that pay an average of 12% [right now](#).
- **Commodities Super-Boom:** Bryan will show me three special sectors that offer the potential for sky-high dividends in the very near future.
- **Tax Strategies for High-Yield Investors:** A step-by-step report detailing the tax implications of each high-income sector in my **Cash Machine** portfolio, so I can maximize my income and minimize my taxes.
