SILVER SURFING PART TWO: The Single Best Silver Stock You Can Buy Now

You're about to enjoy my FREE, no obligation gift to you: all the details on my No. 1 investment recommendation right now.

...You'll discover why gold is going to continue soaring skyward as the massive government credit bailout ignites an inflationary firestorm.

...You'll learn why silver will post far greater gains than even gold.

...And you'll get all the details on a tiny little silver company that is mining silver at a rich profit right now...

...Is growing its silver production rapidly...

...And is now drilling in a legendary mine that could hold hundreds of millions of ounces of silver!

Simply put, there could be no better time for you to read this blockbuster report.

Big Threat...Bigger Profits

Unfortunately, the expanding credit crisis, the massive trillion-dollar government bailout, and the rampaging inflation that this will all lead to...are only one of the dire threats lying ahead.

Remember, we're about to witness the most important changing of the guard in Washington in over a generation.

Considering Barack Obama's declared desire to *double* the capital gains tax...and John McCain's history of pushing dramatic income tax hikes...your wealth is about to come under serious assault.

Yes, we truly do live in some very perilous times.

However, investors armed with the right information will be able to not only preserve their wealth, but also reap stunning profits from the rare opportunities that are now emerging.

Where can you find this valuable information?

Easy: the **New Orleans Investment Conference**, being held from November 13-17 in one of America's most historic cities.

Now in its 34th year, *Money Magazine* calls the New Orleans Investment Conference "**The greatest investment show on earth.**"

The Tip Of The Iceberg

Your *Silver Surfing* special report will reveal my top recommendation in silver — a single stock that could multiply in value as silver rockets higher.

But imagine getting the top recommendations...from the world's top experts... in every investment sector!

That's exactly what you'll get at the **New Orleans Investment Conference** with the most powerful strategies and hottest recommendations of experts like *Doug Casey, Marc Faber, Peter Schiff, Dennis Gartman, Rick Rule, Paul van Eeden, Robert Prechter* and many more.

And you'll also learn how to **protect** these profits from Washington's upcoming assault, with advice from insiders like *Steve Forbes, Fred Thompson, James Carville* and *Stephen Moore*.

When you register for the 2008 New Orleans Investment Conference, you will have access to workshops, presentations, discussions and briefings jam-packed with timely, accurate and actionable information you just can't find anywhere else.

Remember, if you find the information contained in **Silver Surfing Part Two** profitable, get ready. There's more — much more — when you join me this November in New Orleans!

I've even reserved some special gifts for you when you register for this year's Conference:

- Monthly "Member Benefits" packages, packed with urgent reports and newsletters — a \$750 value!
- A Conference welcome kit with an amazing collection of bonus gifts worth hundreds of dollars more.

And the best part: I'll rush you these reports as soon as you register for the Conference, so you can take **immediate action** and begin profiting from this priceless knowledge.

But you **must** act right away...

So get started NOW on your journey to bigger profits and secure wealth by downloading your free report right here.
